THE ZAPEDA APPOINTMENT

An Argument by the Opponents of Sheriff Cook.

Among the arguments which are be ing used against the re-election of Sheriff W. W. Cook is this, that Frank D. Zapeda, killed a man, for which he was sent to the penitentiary. It may be stated, in the first place, that Zapeda was what is known as an outside deputy. Outside deputies usually do not have a great deal of business, and they are frequently chosen because there is no one else in the community who can be secured. But, at the time of his appointment, Zapeda stood high in the community about Agua Callente and Sentinel. Almost every man of prominence in both places had signed the petition for his appointment. The petition, by the way, though it was addressed to Sheriff Cook, was presented at the office before the beginning of his term. The following is copy of the petition: To Hon. W. W. Cook, Sheriff-elect of

Maricopa County, Arizona: We, the undersigned citizens and residents of Agua Callente precinct, Maricopa county, Arizona, hereby respectfully request the appointment of Frank D. Zepada as deputy sheriff of this precinct, knowing him to be a competent man for the place, and your petitioners will ever pray. P. Christman, A. L. Brown, George W. Vaughn, Reese Thomas, H. E. Badgley, agent S. P. Co. and postmaster; H. A. Mc-Donald, Andrew Ramfrez, R. H. Loudermilk, O. B. Bloomer, William J. Seymour, J. T. Woods, B. F. Alsop, Herman L. Baake, A. G. Hutson, John W. Cameron, G. W. Cameron, R. J. Dan-

At the time of the killing, and the arrest of Zapeda, he was holding the positions of school trustee, road overseer and carrier of United States mails. He was therefore the servant of the government, of the county school superintendent and of the board of supervisora, as well as the servant of Sheriff Cook. If the sheriff is, therefore, to be held responsible for his misdoings, that responsibility should be shared with Superintendent Fulton of the schools, the board of supervisors and the postoffice department of the United States.

OLD SOLOMON'S PHILOSOPHY.

You may talk about the philosophy Socrates, or Tom Watson, or any ther of the wise men of the world. but there is an old darky down in my tate who has them all beaten to are-you-well," said Mr. Thomas P Scott, of near Rome, Ga. "Old Solomon-his name is Solomon, and he is cases, bags, straps, etc. Keys rightly named-is always in trouble. 'Solomon,' I said, 'why don't you try to do better? You're a likely sort of could only beliave yourself, and keep

. I makes more money doing this ay. Now, you see it's like this, When works hard I makes \$8 a month and my board, and when I gets arrested the magistrate says to me that it will be 1) or thirty days. Now according to hat, how kin I afford to work for \$8 month when I'm worth 32 more a onth in the jug?" "-Washington Post.

Coffee In Arizona Will make you feel like this Parents and others who have in harge the education and intellectual development of children, find so many objectional features to the general ex hibitional enterprises of the present lay, that they hesitate to take them to places of amusement, for fear that their udding minds may become contaminsted, and the pleasures they may recaive, more than counterbalanced by the evil impressions which may be given them. Alive to this fact, Norris "Ankole," Mocha and Java drives & Rowe's new big shows are up to the high standard of previous years. Alhough a circus aggregation of gymnasts, acrobats, aerialists, equilibris a riders and clowns have been added to their enormous collection of trained minals and the shows augumented to fully twice the size of last year. These enterprising showmen have carefully guarded their well earned reputation for conducting a moral and high class show. Every boy and girl should sethis entertainment, as it is highly instructive and entertaining. The lesson of what kindness and patience will accomplish over dumb brutes can nowwhere else be so thoroughly taught and they will also be shown the wonderful results of perfect physical culture and daring gentiemen experts. Norris and Rowe's new big two ring fircus and double menagerie will exhibit at Phoenix Saturday, Nov. 11.
